„The Man No. 9“ is the band James Brown always wanted to have. Six boys and two girls, who joined together from all over the world to rescue you. They all seem to be superheroes like the X-Men or the Chipmunks, but superhot and wearing uniforms (like the X-Men), sailing the seas of intoxication on Noah’s ark of disco trash.

The Band:

The Jones - vocals
The Mary - Guitars
The Sneak - Guitars/ computers
The Love Gun - Guitars/computers
The Key - Piano and synths
The X Factor - vocals
The Manimal – Drums.

Tracklist:
